The 64 hexagrams of the I Ching are fully explained

The first hexagram is the sky (Qiangua) is strong and healthy, and the upper hexagram is up

Xiang said: The sleepy dragon has good luck in the water, and he can't help but be happy, and all the hopes are as expected, and the luck is gradually higher in the future.

This hexagram is superimposed on top of each other with the hexagram (lower dry and upper dry). It symbolizes the sky, Yu Long (the gentleman of virtue and ability), and symbolizes the pure yang and health, indicating prosperity and strength. The Qiangua is based on the principle of adaptation of all things, with "Yuan, Heng, Li, Zhen" as the hexagram to show auspiciousness and ruyi, and teach people to abide by the virtues of heaven.

Career: good luck, all the best, all wishes come true, God blesses, spring breeze is proud, and the career is in full swing. However, Yang Qi has reached its peak, and it must be vigilant and cautious. Avoid pride, be calm and peaceful, if so, you can give full play to your talents and ensure the success of your career.

Business: It is very smooth, and there is a great opportunity for development. However, do not be in a hurry, it is advisable to calmly analyze the situation, grasp the opportunity, adhere to business ethics, and calmly deal with the difficulties that arise in the middle, and there will be satisfactory results.

Seeking fame: The potential ability has not yet been fully developed, as long as further efforts are made to overcome pride and complacency, enter the industry and cultivate virtue, and become a gentleman with profound knowledge and noble quality.

Going out: It is good for traveling, and it is better to travel in a group.

Marriage and love: Yang flourishes and yin declines, but rigidity and softness can be combined to form a happy result. Women are gentle.

Decision-making: Something big can happen. Adhere to the essence of this hexagram of robustness, integrity, and fairness, cultivate virtue, accumulate knowledge, strengthen faith, and strive for self-improvement, and you will be able to overcome difficulties and eliminate disasters.

The second hexagram Kun is the earth (Kun hexagram) is supple and stretches on the upper hexagram

Xiang said: The fat sheep lost into the hill, the hungry tiger opened his mouth, the palatable heart was full of joy, and the hexagram was great auspicious.

This hexagram is superimposed on top of each other with the hexagram (Xia Kun and Shang Kun), and it is feminine. Symbolically earth (as opposed to the trigram), obedience to the heavens. Carrying all things, stretching endlessly. The kun hexagram is symbolized by a female horse, indicating that the earth gives birth to and raises all things, and when the weather is good, the temperament is docile. It proves that "Kun" obeys "Qian" and follows "Qian", so as to grasp the right direction, follow the right path, and obtain auspiciousness.

Career: All kinds of businesses can be successful and get the expected results, but they are not good at the beginning and are disturbed by difficulties. Don't take risks, be cautious in what you say and do, and especially not act arbitrarily and arbitrarily. The most important thing is to get the care and support of friends, and with the cooperation of others, we can work together to complete the business. Therefore, we should pay attention to inner cultivation, accumulate and cultivate virtue, imitate the earth, tolerate burdens, be generous, take straightforwardness, squareness, and subtlety as the principle, and must not be greedy and arrogant, persevere, and seek success in the cause.

Business: The opportunity is not very good, do not take risks, take stability as appropriate, encounter setbacks, be sure to sum up experience immediately. Pay attention to the storage of goods, wait for the price and sell, and be careful everywhere.

Seeking fame: relatively smooth, with basic conditions, down-to-earth, hard work, not the pursuit of things outside the body, can be auspicious.

Going out: It is advisable to travel in a group. You can go to unfamiliar places.

Marriage and love: Yin Sheng. Overcome rigidity with softness, the woman is supple, a beautiful marriage, and a white head grows old.

Decision-making: loyalty, gentleness, sincerity, and enthusiasm to help others, so that you can also get help from others, but you can often be hurt by not being wary of villains, but there is no major problem. Flexible personality and diverse working methods, you can be praised left and right. difficult, eliminate disasters.

The third hexagram Shuileitun (Tun hexagram) is difficult at the beginning and the next hexagram

Xiang said: The wind blows chaotically, and the head is gone, and the three and four are sad, and the slow from the money to the left is smooth, and the hurry is not free.

This hexagram is a superposition of different hexagrams (lower shock and upper ridge), the shock is thunder, and the metaphor is moving; The hill is rain, and it is dangerous. Thunderstorms, dangers, and harsh environments. "Tun" originally referred to the earth where plants sprout. All things are born and are full of difficulties and obstacles, but when the time comes, they will thrive.

Career: At first, many unfavorable, must know the difficulties and advance, cautious, courageous, flexible, can expect to achieve great success, when the time comes, we must seize, but also not too urgent, and there are still difficulties, must have others to help, so we should usually give more favors.

Business: The early stage of entrepreneurship was difficult and there were many setbacks. The most important thing is to have firm beliefs, not to be confused by superficial phenomena, to be aggressive, to act decisively, and to open the way out. If you still can't get out of the predicament, you should retreat and wait for the opportunity to develop your ambitions.

Seeking fame: Actively strive for it, take the initiative to pursue, and you can succeed.

Going out: It is better to be cautious, there is danger, it is advisable to leave on another day.

Marriage and love: good things are grinding, loyalty and purity, bold pursuit, can be successful, and the marriage is happy.

Decision-making: Initial difficulties, but if you have perseverance and perseverance, the future is immeasurable, but often do not be understood by others and fall into loneliness and depression, the career will be in a difficult state, and you need the help of virtuous people to get rid of. If you live with optimism, you can achieve success.

The fourth hexagram is Shanshui Meng (Menggua) Enlightenment and hard work, and the middle and lower hexagrams

Xiang said: In the hexagram, the elephant commits a small consumption, the gentleman's luck is not high, the marriage partnership is trivial, and the work will inevitably suffer.

This hexagram is a different hexagram (lower ridge on the gen) superimposed, Gen is the image of the mountain, metaphor; Kan is the image of water, which is a metaphor for danger. The hexagram is in danger under the mountain, but it still does not stop advancing, which is for ignorance, so it is called the hexagram. However, because of the grasp of the opportunity and the timely action, it has the hexagram of enlightenment and accessibility.

Career: At the beginning of the career, chaos and danger lurk, with brave and resolute actions can turn the situation around. However, it is necessary to receive a rigorous education to cultivate this spirit of hard work. Be down-to-earth, and avoid being ambitious, otherwise you will fall into a situation of isolation and helplessness.

Business: Be cautious, not eager for quick success, especially should establish noble business ethics, improve competitiveness with a good reputation and win.

Seeking fame: must receive a good basic education and cultivate sentiment. And the motive is pure, and the goal can be achieved.

Go out: Wait for a favorable time before acting, and actively prepare during the waiting period.

Marriage and love: pay attention to the character of the other party, and do not use money as a lure. Husbands and wives need to be tolerant and understanding of each other.

Decision-making: Sometimes they fall into a confused and difficult situation, coupled with timidity, indecisiveness, and often make mistakes. If you can accept the teachings of your elders, even the harsh tests, abandon your doubts, and wait for the right time, it will be smooth sailing.

Hexagram 5 Water and Heaven Need (Need Hexagram) Keep the right and wait for the upper hexagram

Xiang said: The pearl has been buried deep for a long time, and there is no light until now, when suddenly the wind blows the earth, and the nature is revealed.

This hexagram is a different hexagram (lower dry and upper kan) superimposed, and the lower hexagram is dry, which means strong; The hexagram is a hurdle, the meaning of danger. In the face of danger, it is advisable to be steady, not to act recklessly, to wait for changes, and to succeed.

Career: The key is to judge the situation, wait patiently, and make things happen in peace, don't take risks, and don't rush to achieve it. You must be full of self-confidence, not afraid of danger, and stick to the integrity, you will be able to turn danger into disaster. When the situation is favorable, we still have to be prepared for danger in times of peace.

Business: At the beginning of the action, the situation is difficult, and it is necessary to create conditions and opportunities with great patience, act in an upright manner, wait for changes, and realize wishes. When things are close to success, they should be more cautious and not fall short.

Seeking fame: The time is not yet ripe, so be patient. At this time, you should be firm in your faith, not swayed by gossip, strive to enrich yourself, and then turn to reliable people to succeed.

Go out: After you are fully prepared, you can be safe.

Marriage and love: Be cautious, don't act hastily, gradually cultivate feelings, treat each other honestly and warmly, accidents will happen, and there can still be a good ending. Both sides should understand the principle of overcoming rigidity with softness.

Decision-making: The future is bright, ambitious, and achievable. To this end, it is necessary to accumulate strength, wait for the opportunity, and become a late bloomer. I have a strong will and a calm mind. There will be difficulties and obstacles on the way, and we must be very cautious, calmly deal with the slander of the villain, and be calm in the face of disasters. Don't act rashly, choose the direction calmly. Be humble, frank, and have the help of others to promote the success of your career. When the time comes, it will be smooth sailing.

Hexagram 6 Tianshui Litigation (Litigation Hexagram) Caution  
Litigation Prohibition Hexagram in the Middle and Lower Hexagrams

Xiang said: There is something difficult to do in my heart, it is just the two of them fighting for the road, and the rain is going to take the lead, who is willing to let who take a step.

This hexagram is a superposition of different hexagrams. Contrary to the need hexagram, it is a "comprehensive hexagram" for each other. Dry is strong, and hurdle is dangerous. Rigidity and danger, health and danger, oppose each other, and there is a dispute between them. Litigation is not a good thing, and it is necessary to be cautious and fearful.

Career: At first, it is smooth and profitable, and then it is frustrated, so it is necessary to be vigilant, cautious, not stubborn, and try to avoid getting involved in the dispute of litigation disputes. Instead of this, it is better to retreat and let people, seek a solution, be content with righteousness, and avoid accidents. Caught in a lawsuit, even if you win, you will have to lose in the end, and the gains outweigh the losses.

Business: Harmony makes money, and suffering losses is a blessing. Don't go after ill-gotten gains. Business negotiations adhere to the principles of fairness, fairness and mutual benefit, and try to avoid conflicts. In this way, there will be good results.

Seeking a name: Unfavorable. They still lack competitive strength, so they should stick to purity, forbearance and self-encouragement, self-improvement, and self-encouragement. Rely on the help of people of status to get through the difficult times as soon as possible.

Outing: There are many accidents on the way, so it is advisable to travel on another day.

Marriage and love: Although it is unsatisfactory, it is a good match, and it is not impossible to understand each other. Both parties should approach life in a gentle manner.

Decision-making: Competitiveness, restlessness with the status quo, struggle to change destiny and surpass others. Bright mind, quick response, and noble people to help. However, lacking perseverance, it is easy to show the edge, offend others, and bring about the disaster of litigation. It is advisable to acknowledge reality, go with the flow, be content, and stop in moderation. Accept the lesson and take it as a warning, and you can achieve fame.

Hexagram 7 Earth and Water Master (Shi Hexagram) Dangerous and smooth in the upper hexagram

Xiang said: The general led the order to go to the battle, rode a fierce horse-drawn hard bow, and went through Yang in a hundred steps accurately, and the money in the arrow was full of joy.

This hexagram is a superposition of different hexagrams (lower kan and upper kun). "Division" refers to the army. Hurdles are water and dangers; Kun is the land, for the shun, and the metaphor is for the soldiers. The use of soldiers is a last resort, but it can solve the contradiction smoothly and unhindered, because according to the situation, the division is famous, so it can turn the evil into good.

Career: great resistance, many difficulties, in a state of fierce competition, must work closely with others, cautious, decisive behavior, do not act blindly, moderate enough, pay attention to protect yourself. Flexible and strict. Deal with everything calmly and calmly, and you will succeed.

The 8th hexagram is compared to water and land (compared to the hexagram) integrity and unity

The elephant said: sail with the wind and spread the sails, and the sky will help a wind, so you don't have to work hard to get away, and you can go to the tycoon at will.

This hexagram is a different hexagram (lower kun and upper kan) superimposed, and kun is the ground; Kan is water. Water is attached to the earth, the earth is connected to the river and the sea, interdependent and intimate. This hexagram is completely opposite to the teacher's hexagram

and is a comprehensive hexagram of each other. It expounds the principle of complementarity, magnanimity, and unity.

Career: Smooth and successful, moving forward, you can get help and assistance from others, and do things with an honest and trusting attitude. Be generous, honest, proactive and enthusiastic, learn from people with noble talents and listen to suggestions.

Business: Wishes can be realized, and there are relatively large profits, but it needs to work closely with others, communicate sincerely, pay attention to business ethics, and abide by the faith, such as mercenary, greedy, or self-righteous, which will lead to serious losses.

Seeking fame: The hope of success depends not only on personal efforts, but also on the appreciation and cultivation of others.

Outing: Have a safe journey and a smooth journey.

Marriage and love: beautiful marriage, love each other, loyalty to each other, and grow old.

Decision-making: Kind-hearted, loyal, kind, willing to help others, can also be rewarded. Work diligently, be strict with yourself, you can realize your ideals, but you must use your brains more, think more, be good at judging right and wrong, and pay special attention to choosing friends. If you make friends with people who are smarter than you and get help, you will benefit for life.

Hexagram 9 Wind Day Small Animals (Small Animal Hexagram) Raise and wait for the next hexagram

Xiang said: Miao every dry day is scorched, the water wants to be cloudy and the rain is not watered, and the farmer exhales on his back.

This hexagram is a different hexagram (lower dry and upper Xun) superimposed, dry for the sky; Tatsumi is the wind. The wind and rain are smooth, and the grain grows, so the hexagram is called a small animal (accumulation). The power is limited, and it must be developed to a certain extent before it can make great achievements.

Career: The time is not yet ripe, and we should be patient and active in accumulating strength, and we must not take risks. We must not be discouraged in the face of setbacks, summon up the courage to overcome difficulties, adhere to principles, strengthen unity and cooperation, and make all preparations in advance, and we will achieve success.

Business: There is a certain foundation, but there is a danger of loss, we must be particularly cautious, strive for sincere cooperation with others, common profits, never greedy, in moderation, but can not be satisfied with the status quo, do not try to forge ahead.

Seeking fame: Set lofty goals, do your best to strive for them, humbly seek advice from others, obtain sincere help, realize your ideals, and be wary of the destruction of villains.

Going out: If you are not fully prepared, you should not travel in a hurry, especially avoid long-distance travel, which will cause unexpected disasters. You should go out on another day.

Marriage: Both parties must be very loyal, and the phenomenon of third party interference is very likely to occur.

Decision-making: Not very smooth, there will be some unexpected difficulties along the way. However, due to his strong character, he has the will to overcome unfavorable conditions. Therefore, you can make your own ideals a reality. But it is very likely to be hurt by villains, and you must get the sincere help of like-minded people to remove obstacles. The income should be satisfied, and the amount should be stopped, and the pursuit must not be excessive, so as not to be full of losses.

The 10th hexagram Tian Ze shoes (履 hexagram) down-to-earth middle and upper hexagrams

Xiang said: The phoenix fell on Xiqi Mountain, went to sing a few sages, and the king of heaven descended to open the foundation, and the wealth and glory were 800 years.

This hexagram is a different hexagram (lower to upper dry) superimposed, dry for the sky; Redeem for Ze, take the sky as a metaphor, and Ze as a metaphor for the people, the original text: "Crawl (step) on the tiger's

tail, do not bite (bite) people." "Therefore, the result is auspicious. The king and the people, each in his place. Soft meets dry, and the performance is dangerous. The meaning of performance is practice, and the hexagram is the meaning of down-to-earth and forward-looking.

Career: At first, it was very difficult, and there were all kinds of threats, but if you can be vigilant, cautious, down-to-earth, overcome difficulties one by one, and do not change your determination, you will definitely be able to achieve your goal. Be self-aware in doing things, and be sure to do what you can, not to ignore reality, especially not to be reckless and impatient.

Business: It is advisable to wait and see what happens, do not shake your plans for small profits, especially not be insatiable, follow business ethics, and understand comprehensive information.

Seeking fame: Be persevering, diligent, not tempted by wealth, not disturbed by the world, stick to your ambitions and ideals, and you can achieve success.

Decision-making: auspicious. Strong adaptability, all kinds of business can be successful. Able to make good decisions, good at interpersonal relationships, able to unite others to create performance, flexible, very able to adapt to changes in the situation, and constantly move towards new areas. However, in the course of life, we must be conscientious, especially not to be careless, and we should be more cautious in choosing friends to prevent villains from being unlucky.

Hexagram 12 Heaven and Earth No (No Hexagram) No Communication, No Communication, Middle Hexagram

Xiang said: The tiger falls into the pit and is unspeakable, it is easy to go forward and difficult to retreat, and it is difficult to seek hope for oneself, and the disease and tongue are implicated.

This hexagram is a different hexagram (Xia Kun Shang Qian) superimposed, and its structure is the opposite of the Tai hexagram, which means that the yang energy rises, the yin energy falls, the heaven and the earth do not intersect, and all things do not pass. They are "comprehensive hexagrams" for each other, indicating that they are both Tai Ji and No, or Tai Lai, and they are cause and effect of each other.

Career: Caught in adversity, the career is in a recession stage, and there are many things that do not go well. Disturbed by villains and discouraged, love frustration. You should stick to the right path, don't join the villain, unite like-minded people, and protect yourself to wait for the opportunity. Maintain self-confidence, be cautious and fearful, the situation will definitely improve, and your career will eventually succeed.

Doing business: Encountering a strong competitor and being at a disadvantage. Poor information causes significant losses. You should be extra cautious, stick to the defensive, and wait for the favorable time to come before developing your marketing career.

Seeking fame: The conditions are not yet ripe, work hard for a while, and get help from others, the ideal can be realized.

Going out: There will be a lot of troubles and difficulties, so it is advisable to postpone or act in advance.

Marriage and love: It is easy to have extraneous things, and even setbacks and changes, if both parties are full of confidence, good results will appear.

Decision-making: I am smart, shrewd, diligent and hardworking, but I don't pay attention to interpersonal relationships, coupled with the rejection of villains, fate or bad luck. Strong-willed, hard-working, and overcoming deficiencies, despite the high price paid, will be able to accomplish the cause.

Hexagram 13 Tianhuo Tongren (Tongren Hexagram) Upper and lower and middle and upper hexagrams

Xiang said: There is something in my heart to make suspicions, and my hope is not true in the past, but fortunately I met a wise person to guide me,

and all kinds of depression disappeared.

This hexagram is a different hexagram (the lower is separated from the upper dry) superimposed, and the dry is the sky and the king; Separation is fire, for the subjects and people, the fire in the sky and the sky, the fire rises, the same in the sky, the upper and lower harmony, the same boat, the interpersonal relationship is harmonious, and the world is the same.

Career: Smooth, safe, especially in cooperation with others will be very successful, it is advisable to carry out a wide range of interpersonal activities, establish a wide range of contacts, overcome narrow views, take care of the interests of all parties, seek common ground, keep small differences, adhere to the right principles, and will be able to achieve great things.

Xiang said: Cutting down trees and touching birds to do things in prison, right and wrong will disappear naturally, marriage and partnership will be laborious, if you ask if you get lost, you don't escape.

This hexagram is a superposition of different hexagrams. The upper hexagram is separation, for fire; The next hexagram is dry, for the sky. The fire is in the sky, shining on all things, and all the people are obedient, and according to the heavens, they have achieved great things.

Career: The career has achieved certain achievements, and it is most taboo to get carried away and act recklessly. We must stop evil and promote good, stick to the suspension, make honest friends, guard against fear and prudence, be conscientious, and truly achieve great but not profitable, full but not overflowing, and the cause is expected to reach a new level.

Business: prosperous, has got rid of the difficult state, into the stage of prosperity, if you can restrain the greed for money, abide by the principle of integrity, treat people fairly, be diligent and thrifty, especially should always pay attention to market trends, timely transition, can be expected to be long-lasting.

Seeking fame: If you are already famous, don't be satisfied and stagnate, especially don't fall into the worldly circle, you should continue to work hard and get to the next level with the help of true friends.

Going out: safe, you can move.

Marriage and love: the conditions are superior, there are many people to choose from, and it is better to be cautious. Both parties in the family should do their best to maintain it.

Decision-making: strong character, the courage to overcome difficulties, struggle upward, there are many difficulties and bad luck on the way forward, only by taking it seriously can we continue to achieve success, such as letting down our vigilance, being proud and complacent, will bring about a heavy failure. There are many friends and a wide range of contacts, which is very helpful to the career, but there are also villains who dismantle the stage.

Hexagram 15 Dishan Qian (Qian Hexagram) Inner high and outer low, middle and middle hexagram

Xiang said: God gives the poor a piece of gold, do not fight or grab the two equally, share the gold with each other, and all the hopes are fulfilled.

This hexagram is a superposition of different hexagrams (lower and upper kun), Gen is the mountain, and Kun is the earth. There are mountains on the ground, the ground is low (low) and the mountains are high, which is high inside and low outside, which is a metaphor for high merit and not self-esteem, high reputation and high reputation, and high position not arrogant. This is humility.

Career: It has not yet been taken seriously, but because of its noble character, it will eventually be discovered. You don't have to show it intentionally, especially don't give up the virtue of modesty, and if you work hard, you will definitely get help from others and make a difference in your career.

Business: It is relatively smooth, but it will not make huge profits, and it must be accumulated gradually, so you should be extremely cautious, cooperate with others sincerely, abide by business ethics, and achieve business development through your own hard work.

Seeking fame: Talented and intelligent, but because of the character is not good at expressing himself, he is often buried at first, as long as he is not discouraged, continue to work hard to study the business, maintain a humble and studious spirit, greater success is in the future.

Going out: Smooth, but be well prepared, be careful on the way, and gradually neglect safety.

Marriage and love: A happy marriage should be fought for by both parties. Otherwise, the relationship will not be successful, and the family will not be harmonious.

Decision-making: have the humble virtue of being high inside and outside, be good at uniting others, and can also get help from others, and the career is very smooth, and when encountering difficulties, you can quickly

turn danger into disaster, and there is no danger. Because of the ability to seriously absorb the strengths of others, the progress will be rapid and unimpeded, but special attention needs to be paid to academics, morality and self-cultivation.

The 16th hexagram Lei Di Yu (Yu hexagram) follows the situation in the middle hexagram

Xiang said: Taigong planted the apricot yellow flag, collected the demon as a disciple and returned to the west, since then the green dragon has won the position, once he wants to do a hundred things.

This hexagram is a different hexagram (lower kun and upper shock) superimposed, kun is the earth, and it is shun; Earthquake is thunder, and it is moving. Lei Yi comes out at the time, indicating the rejuvenation of the earth. Because of the flow of movement, the source of happiness. This hexagram and the humble hexagram are mutually comprehensive and interact with each other.

Career: It is very smooth, the career can be successful, but it must be in line with reality, conform to the trend, and have to work their own, establish a far-sighted vision, especially not because of the smooth career and relax the cautious and cautious attitude, fall into lazy pleasure. Otherwise, you will regret it.

Business: When the time has come, you should act boldly, and even if there is a setback, you can quickly turn the danger into a disaster. We will strengthen cooperation with others and work together to develop our business in an open and honest manner.

Seeking fame: Talented, if you can adhere to the moral integrity, strict requirements for yourself, work hard, not proud and satisfied because of achievements, stop moving forward, but conscientious, not lazy or lazy, you will definitely have great success.

Outing: Be well prepared and set off calmly, it will be very smooth and safe.

Marriage and love: It is very smooth, life is smooth and auspicious, but you must not take it lightly, let alone play with your feelings, otherwise

there will be a tragedy.

Decision-making: Life is smooth, there will be no major twists and turns, and it is easy to get what you deserve relatively smoothly. But the key lies in one's own efforts and struggles, not to be lazy, not to be discouraged. Open-mindedness and generosity are more conducive to health and longevity. Once you encounter an unexpected disaster, as long as you are strict with yourself at all times, stick to your purity, never forget your worries, and be prepared for danger in times of peace, you will be able to turn danger into safety.

Hexagram 17 Zareth (Sui Hexagram) can be changed at any time in the hexagram

Xiang said: In the past few years, the cart is leaning against the cliff in front of you, and now you should make more efforts to go up the cliff to make a fortune.

This hexagram is a different hexagram (lower shock and upper exchange) superimposed, the shock is thunder, and it is moving; Redeem for pleasure. Moving and pleasing is "follow". Obey each other, follow things, things can follow themselves, and communicate with each other. Follow the trend with the times, have principles and conditions, and take steadfastness as the premise.

Career: Have a correct evaluation of society and life, attach importance to interpersonal relationships, and be good at cooperating with others, and your career will be very smooth. In order to ensure further success, we must not be greedy for small profits, learn from people who are better than ourselves, choose what is good, be honest, and strive to develop our careers.

Doing business: smooth. With sincere cooperation with others, the desired purpose can be achieved. In the competition, we should keep a clear head, think from the big picture and the long term, abide by business ethics, and maintain a sincere attitude towards customers and peers, which will maintain a competitive advantage.

Seeking fame: On the basis of their own hard work, they should learn from virtuous and talented teachers with an open mind, and with the help of

external forces, they can promote their own faster progress and realize their personal ideals.

Outing: Geely. It is possible to change the situation.

Marriage and love: Both parties can succeed and have a harmonious family, but if they are obsessed with love, it will affect the careers of both parties, so be careful.

Decision-making: The path of personal growth is not very smooth, but because of humility, easy-going, good interpersonal relationships, especially being able to get the respect of elders, all kinds of things can be successful with the help and care of others. However, we must pay attention to following the positions and principles that others should have, and do not tend to be inflammatory, which will lead to evil.

第18卦 山风蛊(蛊卦) 振exhaust起衰 中中卦

Decision-making: in an extraordinary period, if can not be properly handled, it is extremely unfavorable, for the actual situation, neither rash action, nor indecisive, but should be rigid and soft, humbly solicit the opinions of others, prudent action, bold pursuit, but not afraid of rumors, and strive for the situation to improve.

Hexagram 29 Kan is water (Kan hexagram) Danger is used to go down the hexagram

Xiang said: A round of bright moon shines in the water, only to see the shadow is gone, the fool should go down to take the wealth, touch it and touch it to the void.

This hexagram is overlapped with the same hexagram (lower and upper hexagram). The hurdles are water and dangers, and the two hurdles are overlapping, and the dangers are more and more dangerous, and the dangers are heavy. One yang traps two yin. Fortunately, yin and yang are real, and integrity can be suddenly penetrated. Although there are many dangers and difficulties, it can show the brilliance of human nature.

Career: Caught in many difficulties and dangers, many dangers. We should not take risks or sit idly by, but should adopt a positive attitude and strive to create conditions to change the situation and turn danger into a disaster. We must be honest and full of confidence, do not try to be lucky, do not give up hardships and dangers, we should wait for changes, use wisdom, break through dangers, and turn crises into safety.

Business: It is very unfavorable, and even falls into a situation of facing bankruptcy, but you should be calm and steadfast, keep a cool head, be in danger and not fall into a situation, do not act rashly, first seek self-protection to observe changes, and seize the opportunity to get out of danger.

Seeking fame: If you don't understand for others, you won't meet talents. Don't give up on yourself. Do not change the original intention, calmly, step by step, can finally be understood and discovered.

Go out: Go out boldly and find a new way, you will achieve something, and get help from others.

Marriage and love: If you suffer from many disadvantages, you should calmly analyze the reasons and actively change your own conditions. The two sides are in the same boat and tide over the difficulties together.

Decision: Unfortunate. However, it is a test before transshipment. As long as you can not be deranged by difficulties, and do not try to get lucky, keep your confidence, and do not put yourself in danger. Calm and composed, do not act rashly, and have insight into the opportunity, you will be able to turn the crisis into safety and become a success.

The 30th hexagram is separated from the fire (separation hexagram) and relies on the middle and upper hexagrams

This hexagram is a superposition of different hexagrams. Gen is a mountain; Ze is water. The soft is on the top, the Gen is just below, the water seeps downward, the soft is on and the hard is down, and the intersecting induction. Feeling is done.

Career: Harmony is precious, and everything is prosperous, so as to be sincere and touching, and treat people with sincerity. Make friends extensively, be modest and courteous. Establish great ambitions, adhere to assertiveness, and do not blindly follow the crowd. When it is unfavorable, you should live in peace and standby, and you should not force it.

Doing business: profitable. However, we should treat others with sincerity and strengthen cooperation. If the market is sluggish, we must not act arbitrarily or force, but should wait for development. Be open to dissenting opinions.

Seeking fame: ambition should be ambitious, down-to-earth, humbly ask others, make people happy, help and reuse themselves. Don't close yourself off, let alone be indifferent and withdrawn, and develop yourself with a broad mind.

Going out: Although you want to go out, you should not travel far for the time being. Travel when the time comes.

Marriage and love: The possibility of success is very high. Both parties have great feelings, but the motives must be pure for the marriage to be happy and permanent.

Decision-making: auspicious. Good interpersonal relationship and sociable. With a sincere attitude and a selfless heart, there will be no disadvantages. Working with others should be principled. Don't be indecisive. When things don't go well, we should stop taking action and sum up experience in order to develop. Be sincere, but do not associate with villains who play with their tongues to prevent being deceived.

Hexagram 32 Lei Feng Heng (Heng Hexagram) Perseverance and success in the upper hexagram

Xiang said: The fish man is lucky to find the fish, the fish can't run away from the net, and others can't make it earn, who wants to make up for it.

This hexagram is a superposition of different hexagrams. The earthquake is male and thunder; Xun is a woman, a wind. Zhengang is on top, and Xunrou is on the bottom. Just up and down, creation is constant, and they help each other. Yin and yang correspond, common feelings, so it is called constant.

Career: Everything is done in permanence, perseverance, and it will be effective. Perseverance is the foundation of success. For this reason, we must have pure motives, keep quiet and not be restless, do not rush to achieve results, and do not stick to the path of death, but should proceed from personal reality. It is the most taboo to follow the clouds, and it is best to adapt to the situation. In this way, everything went smoothly.

Business: Take bold action, and there will be benefits to the past. Pay attention to the market and the surrounding situation. Change the business strategy at any time, but do not change the common sense, adhere to the direction of careful choice, and do not follow the trend. Don't take risks and force yourself.

Seeking fame: there is a beginning and an end, a good beginning and a good end, standing on the right path, perseverance, especially in learning, should improve self-cultivation, it will be successful.

Outing: Acting boldly, advantageous.

Marriage and love: good things are grinding, there are twists and turns, but you can't see different thoughts, get along in harmony, don't be stubborn.

Decision-making: step by step, do not expect too much at the beginning, but do not give up the pursuit because of this, should be down-to-earth, from the reality also, do not be ambitious, but also self-measured, do not take risks radical, do not be capricious. We firmly believe that the universe is always new, and constantly revise our opinions and add new content.

## Hexagram 33 Tianshan 遁 (遁卦) 遁世愛計計計 The next hexagram

Xiang said: The thick clouds cover the sun and the sun is not bright, persuade the king not to go far, marriage and wealth are not good, beware of tongue to the court.

This hexagram is a superposition of different hexagrams. Dry is the sky, Gen is the mountain. There are mountains in the world, and the mountains are high and the sky retreats. Yin and yang disappear, the villain gains power, the gentleman retires, Mingzhe protects himself, and waits for the opportunity to save the world.

Career: If you have bad luck, you should consider retiring and don't go along with undecent people. But it is not a passive evasion, but to preserve strength, sum up experience, seize the opportunity, and stand by. Don't act rashly and cause unnecessary losses. At the same time, do not be tempted by the little profit in front of you.

Business: The market has entered a state of decline, and the market is not good. We must not insist on pursuing and blindly investing, but should be calm and calm, adhere to business ethics, stay away from villains and profiteers, preserve our strength, wait for the market to improve, and then try to develop.

Seeking fame: It is advisable to temporarily protect oneself and be willing to retire. Make every effort to summarize and improve and prepare for the comeback.

Going out: It is not advisable to take active action, but to wait for the opportunity, create conditions, and strive to go as soon as possible.

Marriage and love: Don't rush to solve it, and don't force it. When the time comes, you must treat it correctly with a pure attitude.

Decision-making: In a period of decay, the villain has a will. Blind action will be disadvantaged. Although it is not necessary to repay evil with evil, it is even more important not to join the same stream, because of small losses, because of the importance of expediency, to keep quiet, to preserve strength, and to leave categorically, without hesitation. Concentrate on the development of personal strength, forbearance and

waiting. As long as you can stick to the right path and adhere to the righteousness, you will definitely be able to come back when the time is ripe and achieve great things.

Hexagram 34 Lei Tian Da Zhuang (大 Zhuang Hexagram) Zhuang Do not act rashly in the middle and upper hexagrams

Xiang said: Hexagram occupies the engineer to get a big wood, and he should walk on the road in front of him, and when he comes to run smoothly, he can rest assured that he can manage himself.

This hexagram is a superposition of different hexagrams. Earthquakes are thunder; Dry for the day. Dry just shakes. The sky thunders, the clouds and thunder roll, the momentum is grand, the yang energy is strong, and all things grow. Strong and powerful, so it is said to be strong. Big and strong, hence the name Dazhuang. Siyang is strong, positive and makes a difference, the top is upright, the bottom is upright, and the standard is upright.

Career: Rely on wisdom rather than strength, be brave and more strategic, avoid brute force, keep it or not, and take the blame. Don't be reckless, otherwise you will be at risk. There should be a guard against the villain, especially the treacherous of the villain. You should be brave in your career, but don't be rash.

Business: It is in the upswing stage, and the situation is very good. However, we must not be reckless, let alone reckless, and should take the initiative to strengthen cooperation with others. Be vigilant, understand the truth that things must be opposed, and prepare for career decline.

Seeking fame: Be sure to use your strength properly, and don't take the plunge of being strong. Especially not to be conceited. Proper use of one's own talents, coupled with the assistance of external forces, will certainly make a difference.

Go out: Go out cautiously, don't be reckless, otherwise it will be unlucky.

Marriage and love: Don't be arrogant because of your good conditions. Don't miss out on a good marriage.

Decision-making: Be strong and moderate, and don't overexert your strength. When your career is going well, you should especially not be reckless. It should be noted that it is likely to be in a dilemma, so be sure to protect yourself and prepare as soon as possible.

Hexagram 35 Huodi Jin (Jin Hexagram) Seeking progress and development in the upper hexagram

Xiang said: hoe the ground and hoe to the seedlings and grass, who wants to find people with wealth, a hoe to hoe out the silver, this luck is also good.

This hexagram is a superposition of different hexagrams. Departure is the sun, for the light; Kun is the ground. The sun hangs high, shining on the earth, the earth is humble, all things grow, bright and fair, soft and upward, metaphor for the cause is thriving.

Career: Smooth. We should abide by the right path, face difficulties, defeat the enemy, and take advantage of the situation. Establish good interpersonal relationships and win people's hearts. Go all out, without the slightest hesitation, and avoid indecision, but should not be discouraged by defeat and move forward bravely. Pay attention to harmony and move forward together.

Business: The market is good. The market competition is smooth. However, we will also encounter some difficulties, and we will rise to the occasion, take advantage of the situation, and defeat the enemy. Enlist the support of the crowd. Setbacks are inevitable in the process of moving forward, and as long as the motives are pure, we will be able to turn the crisis into safety.

Seeking fame: After hard work and struggle, we have the foundation to develop our career, but because no one recommends us, we will not be able to do so for the time being, and we must not give up on ourselves because of this, and we must wait patiently for the opportunity. At the same time, more actively create conditions.

Go out: Overcome hesitation and move forward boldly.

Marriage and love: auspicious stars. There will be desirable results, but we must not be indifferent or too critical because of our superior conditions.

Decision-making: In an ascending situation, there will be no excessive resistance. But we must win the trust of everyone, win the hearts of the people, and make persistent efforts, as long as the motive is pure and the luck psychology is overcome, there will be joy from the sky.

### 第36卦 地火明夷(明夷卦) 晦而转明 中下卦

Xiang said: When the good luck is clumsy, he can't go, he hurriedly crossed the river and demolished the bridge, the benefactor is unrighteous but resentful, and everything is in vain.

This hexagram is a superposition of different hexagrams. Separation is clear, Kun is smooth; Departure is the sun; Kun is the ground. The sun is not in the ground, the light is damaged, the future is unknown, the environment is difficult, it is advisable to follow the time to maintain obscurity, stick to the right path, be foolish on the outside and wise on the inside, and be obscure on the inside.

Career: In an unfavorable environment, it is advisable to deal with sinister conditions calmly, enhance psychological quality, and withstand various pressures. The surface is supple and careful, the inner insight is reasonable, and when he leaves, he leaves, avoids disasters and escapes danger. Take precautions before they happen and persist in fighting in the face of adversity.

Business: Carefully observe the market dynamics, stand by and act, but adhere to business ethics, even in adverse circumstances, but also take risks forward, especially to develop in the south, will be very rewarding.

Seeking fame: keep the ambition in the heart, act hard and patiently, struggle in adversity, keep to their will, converge and be smart without being exposed, and insist on justice in the chaos, hiding clumsy and foolish.

Going out: It's best not to act right away, wait another period and be well prepared.

Marriage and love: You must comprehensively analyze the other party's situation, and you can't lose a big one because of a small one. Pay attention to the big sections.

Decision-making: In a difficult situation, the environment is difficult, and the future is uncertain. But if you can deal with bad luck and bend it, the future will be brighter. In particular, we should strengthen self-cultivation, forbearance and will, external ignorance and internal wisdom, and can be auspicious in times of death. If you can be cautious and careful everywhere, you can make a difference.

Hexagram 37 Wind and Fire Family (Family Hexagram) Cheng Wei Zhi Ye Xia Hexagram

Xiang said: A flower blooms in the mirror, it looks very good and can't be taken, and the monarch is persuaded to take the mirror flower love, and the lord of the hexagram is strange.

This hexagram is a superposition of different hexagrams. Separation is fire; Tatsumi is the wind. The fire causes the heat to rise and become the wind. Everything should be on the inside and then outward. Occurs internally and forms externally. Yu first governs the family and then governs the world, the family is right, and the world is happy.

Career: Success depends on the family's circumstances. Strict management of the family to prevent accidents in the "backyard" is a prerequisite for career success. Husband and wife will be in harmony and work together to get rid of poverty and become rich. The cause should be from the inside out, step by step, perseverance, and then it will be successful.

Doing business: Governing the family for business activities. Treat the company's employees with a combination of strict and lenient, and focus on strictness. It is advisable to concentrate on leadership, be in charge of one person, work together, and accumulate over time.

Seeking fame: It is mainly based on hard work and poverty alleviation, and it should be supported by the family. When the family is prosperous, it is easy for the individual to succeed in his career.

Going out: It is good to be at home for a thousand days, but it is difficult to go out for a while, so you can act after you are fully prepared.

Marriage and love: A harmonious family is the foundation of everything, and the wife is the foundation of the family. Choosing a wife should be cautious and happy to prosper the family. picul

Decision-making: Success due to the support of a good family and wife, it is important to maintain this advantage, otherwise, it will turn from prosperity to decline in an instant. In particular, family accidents should be prevented. The importance of running a family is to be humble and thrifty, and to save money through diligence and thrift. Relatives are in harmony and friendship with each other.

Hexagram 38 Huo Ze (睽卦) Seek common ground in differences and go down to the next hexagram

Xiang said: This hexagram takes advantage of bad luck, just like Taigong trading, selling pigs and cattle is fast and selling sheep late, and pigs and sheep are sold and slaughtered.

This hexagram is a superposition of different hexagrams. Separation is fire; Redeem for Ze. The fire is on fire and on the bottom, and it is not mutually beneficial. Ke Zesheng, reciprocating and empty. All things are different, they must be different, they contradict each other. Contradiction in the eye.

Career: It is difficult to create a career and the situation is difficult. If you can be like-minded and trust each other, the goal can be achieved. But at first the success was mostly small. Small things can go big. Success lies in cooperation, defeat in the diversity of opinions. Solidarity should be strengthened and compromises should be made in order to achieve common ground. Mutual suspicion is most avoided.

Business: We should enter the market competition with a calm attitude, and seek common ground while reserving small differences. We should not be hostile to our competitors, but we should be able to make peace without flowing, and we should be group but not partisan. In particular, we should not cause disputes and try our best to avoid disasters.

Seeking fame: Strive to make progress with a sincere heart. When necessary, we should not completely abstain from associating with the wicked, but should adopt a tolerant and tolerant attitude and moderate intercourse. It is not necessary to be completely consistent with like-minded people, but to seek common ground in differences.

Outing: Smooth. You can get help from good people on the way.

Marriage and love: both parties must treat each other sincerely. Otherwise, it is very easy for a third party to intervene, and if the husband and wife suspect each other, the family will be ruined.

Decision-making: in a contradictory, correspondence state. Care must be taken to approach life with generosity, peace, and suppleness. In this way, you can be calm, soft and motivated. Recognize that there must be separation, and there must be separation; There are differences in the same, and there are similarities in the differences. Otherwise, he will be extremely irritable and suspicious. Suspicion can be fatal.

Hexagram 39 Shuishan Jian (蹇卦) is dangerously hindered in the front and under the hexagram

Xiang said: Heavy rain and snow all over the sky, pedestrians on the road are bitter and cold, dragging mud and water to pay their best, unsatisfactory and patient.

This hexagram is a superposition of different hexagrams. Kan is water, Gen is mountain. The mountains are high and the water is deep, there are many difficulties, life is dangerous, and it can be described as wisdom to stop when you see danger, and to protect yourself wisely. It's hard to walk.

Career: Everything is difficult at the beginning, stick to it, and there will be good results. Life is not easy, first of all, you have to turn to yourself, cultivate morality. Zhigao is self-confident and enterprising. In case of difficulties, you have to ask friends for help, you can't take risks in your actions, you must overcome rigidity with softness, and when you wait, do what you can.

Business: Gradually start a business, take risks, and seek trouble. It is advisable to strengthen business ethics, cooperate with others sincerely,

and when you are in trouble, you should not see death without help, but should not fight for yourself. Joint action can be active in market competition.

Seeking fame: Step by step, strengthen one's own cultivation. Live quietly and watch the movement, wait for change, move when the opportunity arises, and advance if you can. Be calm in your heart, and don't take risks in the pursuit of fame and fortune. Combine with meritocracy and follow the masters, and you will be able to turn the crisis into safety.

Going out: It may be difficult to go out, which is conducive to traveling southwest. If you are in distress when you go out, you can get help and turn the crisis into safety.

Marriage and love: not very smooth, not in a hurry, should choose carefully. But be self-aware.

Decision-making: Difficult and unfavorable. But it can be seen as a test. Forge ahead, be full of confidence, don't ask for trouble, make friends with sages, help each other, stick to the right way, and be auspicious in times of trouble and bear good results.

#### Chapter 40 Thunder Water Solution (解卦) Judo Chiji Nakagami

Xiang said: At present, if the moon order is passed, it will be hard to suffer, and when it comes to someone to save it, it is irrelevant to do whatever you want.

This hexagram is a superposition of different hexagrams. Earthquakes are thunder and movements; Hurdles are water and dangers. The danger is inside, and the movement is outside. Closed in the middle of winter, it moves quietly. Vientiane is renewed, winter goes to spring, and everything is eliminated for the solution.

Career: Initial recovery, rest and recuperation, quiet and easy is better, and it is appropriate to be lenient and peaceful. When you are ready, you should act immediately, strive for the initiative, do not procrastinate, and there will be utilitarian benefits in the future. But don't be insatiable. Diligent and thrifty, rigid and soft, with softness as the

mainstay. Far away villains, unite gentlemen, rely on each other, and achieve a common cause.

Business: Act quickly and actively to get out of danger. Traders should follow the right path and do not ostentatiously go through the market. This is foolishness, and it will bring disaster upon itself.

Seeking fame: Fledgling, should continue to enrich themselves. Standby action. In particular, we should be far from villains, close to gentlemen and talented people, in order to quickly improve ourselves.

Get out: Once you're prepared, act now and you'll get the first shot.

Marriage: It should be done at the right time. Husband and wife can help each other in harmony, and the family can be harmonious, and disasters can be avoided.

Decision-making: It is advisable to be prudent and not to take risks, as everything is still in the early stages of recovery. In order to strive for great development, we must be lenient with others, govern with softness, make friends with sages, dismiss villains, and develop a rising career in a modest, upright way, and Zhang Chi's combination of means.

Hexagram 41 Yamazawa Loss (Loss Hexagram) Profit and Loss Checks and Balances The next hexagram

Xiang said: Time movement does not bother much, compared to the cart tortured, the mountain road is rugged to hang the ear, do plug right press can not be pressed.

This hexagram is a superposition of different hexagrams. Gen is a mountain; Redeem for Ze. Up the mountain and down the river, the big river erodes the mountain roots. Profit and loss are intertwined, the loss is beneficial, and the profit is lossy. Between the two, we must not be cautious. Governing the country will damage the foundation of the country if it is too much. If it should be lost, it will be lost, but it must be measured and moderate. Less is better.

Career: There must be investment in the development of the business. The amount of investment should be carefully calculated in advance, and strive

to make the profit and loss appropriate. Everything should be done in moderation, and there should be no deception or greed. The world is the most difficult, strict requirements for themselves, hard work, flexible means, and strive for career success.

Business: Conduct a comprehensive survey of the market situation and calculate the ratio of investment and income. You don't have to worry too much about the amount of profit, just make a profit. Cooperate with others sincerely, trust each other, be flexible, and never close yourself.

Seeking fame: In order to grow and progress, it is necessary to invest in it and deal with it. Gain with loss to achieve ideals.

Going out: Beneficial and feasible. Pay attention to saving costs and prevent losses from outweighing gains.

Marriage and love: Weigh each other's strengths and weaknesses in a comprehensive manner. Think big.

Decision-making: Intelligent, good at weighing the pros and cons. Conform to the law of natural development, actively cooperate with others, help others, invest moderately, support others, and prefer to be frugal rather than extravagant. In this way, everything can go very smoothly.

Hexagram 42 Wind and Thunder (Benefit Hexagram) Loss of upper and lower upper hexagram

Xiang said: When the time comes, the dead wood blooms again, the branches and leaves are reborn and luxuriant, and a few people see a few people to praise.

This hexagram is a superposition of different hexagrams. Xun is the wind; The earthquake turned to thunder. The wind and thunder are agitated, the stronger its momentum, the louder the thunder, and the wind and thunder help each other to grow and help each other. This hexagram is the opposite of the loss hexagram. It is a gain on the loss, and the latter is a gain on the loss. The second hexagram expounds the principle of profit and loss.

Career: Be bold and have the courage to support the cause of others, which will complement each other. Be brave and dare to act. As long as you are

kind-hearted, pure, and humble, your career will surely increase day by day, and your future will be limitless. It is advisable to help people immediately, to be in an emergency, to develop a career, to unite internally, to be popular, to establish perseverance, not afraid of taking risks and making difficulties.

Business: Don't pursue small profits, let customers benefit, but will get huge profits. Don't be greedy. When in danger, seek advice from others and seek honest assistance.

Seeking fame: If you sincerely benefit others, you will definitely be rewarded with sincerity and support, and your career will be successful.

Going out: profitable. Get out and take action.

Decision-making: open-minded and helpful. Good interpersonal relationships and support from everyone. It is important to establish perseverance and overcome half-heartedness. In particular, you should learn from people who are better than you, and use the strength of others to enrich and develop yourself. Build the necessary sense of adventure. Be kind to others on weekdays. Therefore, even in danger, others will be rescued.

The 43rd hexagram Ze Tian 夬 (夬卦) can be reconciled with the upper hexagram

The elephant said: The spider escaped the net and raced the heavenly army, sticking to the wings and feathers of the swimming bee, fortunately the wind blew through the web, and escaped from the disaster.

This hexagram is a superposition of different hexagrams. Dry for the sky to be healthy; Redeem for Ze for the pleasure. Zeqi rises, and it becomes rain, and the rain spreads on the earth and moistens all things. Five yang to one yin, it is not difficult to go, and it is enough to decide (the meaning of going), so it is called 夬 (guài), and it is decided.

Career: In its thriving phase, but already pregnant with widespread danger. Be gracious to others, don't be arrogant, take the initiative to unite others, and don't do risky things. Always be vigilant to prevent the villain's destruction. But don't be reckless, you should use gentle means to decide the villain, and avoid going too far.

Business: The market is in a state of decline, and it is not advisable to move in large quantities, so pay attention to turning at any time. When opening up new fields, we will strengthen cooperation with others. But be sure to pay full attention to treacherous villains with ulterior motives who take the opportunity to cause trouble and sabotage.

Seeking fame: humbly seeking advice and enriching one's own strength. But do what you can, not be arrogant. And don't merge with villains, and ruin your career in vain.

Going out: It should not be too frequent, and it is best to wait for work. Traveling auspiciously.

Marriage and love: To prevent the introducer from being deceived, you should also pay attention to the purpose of the other party.

Decision-making: Contradictory personality, often strong on the surface but weak on the inside, at critical moments, ruining the career. Listen to the advice of others with an open mind, do not be reckless, be thoughtful, and treat others with a gentle attitude.

Hexagram 44 Tianfeng Ji (姤卦) There is wind in the world Hexagram

Xiang said: When you meet friends in a foreign country, you must know that luck and blessing have increased, and since now you have handed over good luck, and it has nothing to do with backwards.

This hexagram is a superposition of different hexagrams. Dry is the sky, Xun is the wind. There is wind in the world, blowing all over the earth, yin and yang are combined, and everything is luxuriant. 姤 (gǒu) hexagram is the opposite of 夬卦 and is "comprehensive hexagram" to each other. Yin and yang meet. But five yang and one yin can't get along for a long time.

Career: Timely and timely. But there is a potential crisis, and yin and yang are not in harmony. We must rely on the strong, contact with many parties, strengthen our forces, prevent villains from profiting, and strive for the situation to improve. Prepare early, wait for the right time, and act as soon as the time comes.

Business: The market is moving from a booming state to a declining state, and it is better to get out as soon as possible, and it is dangerous to force development. There are no upright people to help, but there are villains who are secretly plotting. In this regard, it is important to keep a clear head, seek reliable partners, and wait patiently for the redevelopment of business activities.

Seeking fame: The personality is not very gregarious, and the inner self-esteem is too high, and it is inevitable that he will be in a difficult situation and will not be able to do so. You should turn to people who are sincere and upright, and succeed with their support.

Going out: There is difficulty, although there is no great calamity, but there is no one to help.

Marriage and love: Strictly examine the moral character of the other party to avoid falling into "triangle" disputes. Husbands and wives treat each other with sincerity, and they can turn danger into safety.

Decision-making: Geely. You can thrive in a favourable environment, but you must not take risks that would backfire. The second is to beware of the trapping of the villains around you at any time. For this reason, evil should be stopped before it becomes a force, and it is better to be isolated than to be in the company of villains.

The 45th hexagram Zedi Cui(癸卦) Gathering and gathering in the middle and upper hexagrams

Xiang said: Swimming fish playing in the water was frightened by the net, jumping over the dragon gate and turning into a dragon, the three-foot willow drooping money, and ten thousand peach blossoms showed you.

This hexagram is a superposition of different hexagrams (lower kun and upper exchange). Kun is the ground and shun; It is used for water and water. The flood floods the earth, the people fight each other, the crisis will be everywhere, we must be good with the sky, take precautions, be supple and happy, complement each other, live and work in peace and contentment. Gathering, uniting.

Career: Prosperity, unity and harmony. It is thriving, but the water is overflowing, and the competition is bound to be fierce. If it is prosperous, it will decline, do not be proud, and be cautious and careful. But don't hesitate, move forward and open up new business. Serve the public with noble character.

Business: Sincere cooperation, solidarity and mutual assistance. Encouragement is a sign of a thriving career. Boldly explore the market, move forward steadily, be prepared, and achieve continuous development.

Seeking fame: Relying on personal efforts alone, the achievements will not be great, and it is necessary to obtain the help of others, plus personal conditions to achieve the ideal state.

Going out: Although you may encounter small troubles when traveling, don't be afraid, focus on the overall situation, and take positive action.

Marriage and love: Don't be in a hurry, love each other, be happy.

Decision-making: good at uniting others to work together, with leadership skills. But broad-minded, vision must be far-sighted, integrity, integrity-based, do not lose principles, especially to be strict with themselves, tolerant of others, when opposed by others, should seriously reflect on themselves, draw lessons, with this state of mind to be a person, life can be safe, career will be accessible.

Hexagram 46 Earth Wind Rising (ascending hexagram) Docile and modest, upper hexagram

The elephant said: Scholars will be famous when they come to occupy it, business and trade will be prosperous, craftsmen will trade well, and the crops in the farm will also be harvested.

This hexagram is a superposition of different hexagrams (下巽上坤). Kun is the ground and shun; Xun is wood, for Sun. The earth grows trees, growing step by step, growing taller and taller, and the career is rising step by step, and the future is great, so it is called "rising".

Career: very smooth, continuous development, according to the times, gradually rising, the future is great, but should be gradually developed,

do not rush forward because of the smooth. Be cautious, cultivate virtue, follow virtuous predecessors, and treat the cause sincerely.

Business: abide by business ethics, start small, gradually open up, through their own diligence, sincere competition, steady as well, do not make a big mistake.

Seeking fame: study hard, strengthen self-cultivation, with their own wisdom, will be able to achieve ambition, if someone recommends, the future is broader. But moderation should be observed.

Outing: It's going well, especially southbound, and there will be no disaster.

Marriage and love: Both parties treat each other with sincerity and gradually cultivate emotions, and they will definitely succeed.

Decision-making: as you wish. Intelligent, flexible, with a good foundation for success, strict with yourself, modest and obedient, humbly seek advice from the elders, and gradually and steadily develop your own career, will be like the growth of a tree, and finally will become a pillar of talent. But in the process of growing up, we must be cautious everywhere, insist on sincerity and integrity, and move forward boldly.

Hexagram 47 Zeshui Trapped (Sleepy Hexagram) Dilemma Seeking Passage Middle and Upper Hexagrams

Xiang said: It's sad that luck doesn't come, so I put it on and went to lift the ladder, but a tube of insect wings didn't reach it, and I couldn't go up and down when I turned it.

This hexagram is a superposition of different hexagrams. Redeem for yin for Ze Yuyue; Kan is yang and water is dangerous. Zeshui is trapped, in a predicament, and it is difficult to display his talents, but he still sticks to the right path and enjoys himself, and he will be able to achieve things and get out of the predicament.

Career: The situation is very poor, and he suffers from great difficulties. Life is faced with great trials, and if you take unfair measures, you will fall deeper and deeper. On the contrary, if you are in a difficult and

adversary situation without losing your discipline, you should be self-reliant and calm in your situation. Don't lose your ambition. It can be done.

Doing business: Facing fierce competition, there is a high possibility of bankruptcy. Don't be disappointed, but fight in the midst of adversity. For this reason, we can only rely on daily life to strengthen self-cultivation. Seriously reflect on one's own behavior, sum up lessons, and get up again, but it is not advisable to be impetuous, and should move forward slowly. At the same time, it is all the more necessary to be vigilant against getting rich and getting carried away and falling into new predicaments.

Seeking fame: If you want to hurry, you can't reach it. We should move forward slowly with a humble attitude, and we should have a firm ambition, which is the only way to achieve success.

Going out: There are many difficulties, think carefully.

Marriage and love: Deal with it calmly with an optimistic attitude, especially pay attention to character.

Decision-making: smart and intelligent, but not talented. If you don't lose confidence because of the predicament, persist in working hard, give up the luck mentality, and persevere, although you may not be able to keep and realize your ideals, you will eventually achieve something.

#### 第48卦 水风井(井卦) 求贤若渴 上上卦

Xiang said: The dry well has been broken for many years, once the spring comes out fresh, the people who are thirsty for life are envious, and the time comes to run like nature.

This hexagram is a superposition of different hexagrams. Kan is water; Tatsumi is wood. Trees thrive when they get water. Man lives on wells, which are dug by man. Mutual support, the well to water to nourish people, inexhaustible, people should take this virtue and work hard.

Career: In a steady state. It is not advisable to move forward rashly, nor do you have to retreat, but should work hard to study with a positive attitude, improve yourself, enrich your personal strength, and stand by to

get up, and you will achieve great achievements. The most feared thing is to pause, otherwise it will be eliminated due to inopportuneness.

Business: The market situation is good, and the original policy can be continued. At the same time, we will continue to develop the market in the spirit of diligence and progress, sincerely open up the market, pay special attention to cooperation with people, assist each other, and enrich and accumulate experience in practical activities.

Seeking fame: Contribute to society with a legitimate purpose, and study hard for it. Special care should be taken to seek advice from virtuous people in order to be found and recommended.

Going out: Do not travel without the need and full certainty.

Marriage and love: Don't be in a hurry, there will be a matching partner.

Decision-making: smart, alert, helpful. At the same time, there will also be opportunities to fully display one's talents. As long as you can learn the spirit of "water well", sincerely dedicate yourself, and constantly enrich your talents, you will definitely be valued by the society.

The 49th hexagram Zehuo Ge (Ge hexagram) Shun Tian should be on the hexagram

Xiang said: Miao is gradually declining in a dry day, fortunately the rain of heaven comes, and the joy can change, and the seeking officer is in his heart.

This hexagram is a superposition of different hexagrams. Away from fire, with Ze, there is water in Ze. The water is poured from above, and the fire rises from below. The fire is strong and the water is dry; The water fire is extinguished. The two are mutually reinforcing, and there will inevitably be change. Change is the fundamental law of the universe.

Career: At a critical juncture, we must pay close attention to all kinds of information and think carefully. First of all, to consolidate one's position and perfect one's behavior. When the time comes, act now to make a positive difference. However, it should be noted that the motives are pure,

the means are just, and the cause is bound to be developed if it is not conservative or reckless.

Doing business: The market is highly competitive. In order to be invincible, we must dare to boldly seek innovation, change our business direction in a timely manner, and if we are frustrated, we must immediately sum up our experience, rise again, and expand our business activities. Pay attention to how you compete.

Seeking fame: First of all, we must strive to improve ourselves and improve our knowledge and morality. At the same time, obey the command of the superior and do a good job. The relationship between the two must be properly handled.

Going out: very smooth, active, expand interpersonal relationships.

Marriage and love: There may be some troublesome things that are extraneous and should be handled calmly and emotionally focused.

Decision-making: very auspicious and smooth. With their own wisdom and talents, adapt to the situation, according to the characteristics of the times, according to reason, change the things that are gradually appropriate, and expand their own careers. However, we should be cautious, and we should not act rashly when the time is not ripe, especially avoid rushing for quick success. Think twice before acting.

The 50th hexagram Huofeng Ding (Ding Hexagram) is a steady and changeable hexagram

The elephant said: The warbler and the clam fall on the beach, the clam warbler and the two-winged fan, the fisherman enters the front and benefits both, but the pedestrian is at ease.

This hexagram is a superposition of different hexagrams. Burning wood for cooking, turning raw into cooked, removing the old and making the new mean. Ding is a heavy treasure, a three-legged and stable elephant. Cooking means that the food is sufficient, and there are no more difficulties and troubles. On this basis, it is advisable to change and develop the cause.

Career: Have all kinds of conditions to develop a business. Deaf and clear-sighted, cool-headed, should be upright attitude to the world, strict in the law, cautious as the beginning, both rigid and soft, and talented people to cooperate, do not go into the wrong way, invincible.

Business: After some struggle, I have been able to develop my business activities relatively smoothly, and I can overcome difficulties when I encounter them. If you adhere to business ethics, participate in normal competition activities, do not act rashly and have evil thoughts, and keep to yourself, business can develop greatly, but if you do not live within your means, you will lose your business.

Seeking fame: First of all, you should accumulate knowledge of virtue, be strict with the law, do not fall into the grudge with others, and go up softly, step by step. It is even more promising to be used by those who know people.

Going out: It is not advisable to go out without major events. It is smooth to go out for the development of a business.

Marriage and love: The personal conditions are ideal and smooth, but do not be unsuitable for your own reality.

Decision-making: Talented, responsive, flexible, and able to adapt to changes at any time. Therefore, the future is great, even if it is not taken seriously for the time being, there is no way out and there is no defense, and the ambition can be realized in the end.

Hexagram 51 Earthquake is thunder (earthquake hexagram) is not chaotic in the face of danger

Xiang said: A golden bell is in the mud, everyone takes it as a stone, and suddenly one day the bell hangs, and the world knows loudly.

This hexagram is overlapped with the same hexagram (downward shock, upper shock). The earthquake is thunder, the two earthquakes are superimposed, and the repercussions are huge, which can eliminate the dull atmosphere and prosper smoothly. On weekdays, you should be prepared for danger in times of peace, have fear, dare not slack off, and in the event of sudden events, you can be at ease and talk and laugh as usual.

Career: In an unsmooth, even dangerous situation, we must be vigilant about this, be prepared, once there is an emergency, you can deal with it calmly, and you can learn lessons from this, on the one hand, the loss can be reduced, on the other hand, you can quickly recover, so that the cause to a new height.

Doing business: In the fierce competition in shopping malls, problems may arise at any time and get into trouble. Calmly and calmly cope with the coming reality, adhere to the principle of impartiality and neutrality, and overcome difficulties calmly and unhurriedly with a resolute attitude. After a crisis, there are huge benefits.

Seeking fame: Likely to be frustrated. Don't be discouraged, but do self-reflection and find out the crux of the problem.

Go out: Go out and don't worry about small evils.

Marriage and love: Accidents can occur in love and family, which should be handled with a calm attitude and will have the desired results.

Decision-making: At a turning point in your life. It is necessary to correctly summarize the past and lay the foundation for opening up new undertakings. On the road ahead, we should always be fearful, diligent, adhere to correct principles, advance in difficulties, and prosper in our destiny.

Hexagram 52 Gen is the mountain (Gen hexagram) Movement is timely in the middle and lower hexagrams

Xiang said: Wealth often goes to the heart, but unfortunately it is difficult to get it in front of you, and you are patient when you are not satisfied, and you will talk about idle things.

This hexagram is overlapped with the same hexagram (lower and upper hexagram). Gen is a mountain, and the two mountains are overlapping, and the metaphor is static. It is the opposite of the hexagram. After the high tide, there is bound to be a low tide, entering the relatively static phase of things. Static like a mountain, it should be stopped, and it should be done. Movement and stillness should not be lost, should be just right, movement and stillness are appropriate, and it can be stopped.

Career: After a period of development, adjustments should be made, actions should be temporarily suspended, and lessons should be learned. Don't go ahead for fame and fortune. Self-restraint, self-restraint, prudence in words and deeds, and do not blindly pursue others. After a break, when the right time comes, show off your skills.

Business: When entering a state of stagnation, do not rush blindly, but should stop at the right time, enter a quiet retreat, do not be disturbed by the outside world, especially should maintain inner and intellectual peace, and do not easily cooperate with others. Wait for the right time, and there will be a bright future.

Seeking fame: Maintain a pure purpose and keep the right path. Don't be tempted by fame, keep loyalty, and you can succeed.

Going out: It is better to be cautious and choose another good day.

Marriage and love: Emphasize feelings, treat each other with sincerity, but you can grow old.

Decision-making: quiet personality, introverted, not fond of activities, not good at sociability, loyal and honest, trustworthy. Pay attention to the advice of others and be wise to protect yourself. If there is no opportunity, it is not advisable to be active, stop when it should be stopped, and do not have unrealistic ideas.

Hexagram 53 Wind Mountain Gradual (gradual hexagram) Gradual accumulation of virtue on the upper hexagram

Xiang said: The handsome bird is fortunate to be in the cage, out of the disaster to show majesty, once proud of the blessing, east, west, north and south arbitrary.

This hexagram is a superposition of different hexagrams. Gen is a mountain, Xun is a wood. There are trees on the mountain, and as they grow, the mountain grows taller. This is the process of gradual progress, so it is called gradual, gradual, gradual and not fast.

Career: After a period of relative stillness, a new phase of the career is resumed. At this time, the most fearful thing is to be impatient and rash,

and be sure to be progressive and down-to-earth. At the same time, we should pay attention to moral cultivation and treat the cause with a calm and humble attitude, which can be unfavorable.

Business: We are in the stage of steady development, we must seize the opportunity, neither blindly optimistic, nor stagnant, but should adopt a gradual forward strategy, do what we can. Abide by business ethics and open up the market with good service.

Seeking fame: emulating the spirit of trees planting in the mountains and growing gradually. In terms of moral character and academics, improve yourself in a down-to-earth manner. At the same time, it shoulders the responsibility of improving social customs. It is advisable to seek fame gradually, not to strive for progress.

Outing: Be well prepared, go out calmly, and have a safe journey.

Marriage and love: Don't rush it. Happy, content, husband and wife are in harmony.

Decision-making: The time has come to run, so don't miss the opportunity. It is important to be cautious, and it is beneficial to be gradual. Dealing with the world with humility can lead to strong support and great success.

Hexagram 54 Lei Ze returns to his sister (Gui Mei hexagram) to establish a family and prosper the next hexagram

As the elephant said: Seeking fish must be in the water, and the trees are not in good spirits, and they are difficult to climb and expose at will, and they work in vain and have no luck.

This hexagram is a superposition of different hexagrams. The shock is moving, and it is the eldest man; For the pleasure, for the girl. With a girl from the eldest man, there is a feeling of admiration, there is a move of marriage, there is an image of marrying a girl, so it is called a sister. Men marry women, heaven and earth are righteous, and the beginning and end of man. The upper hexagram and the gradual hexagram are comprehensive hexagrams, and the interaction is used.

Career: is entering a new phase, and soon a different picture will emerge. At this time, we must first have a far-sighted vision, identify the pros and cons, and be prepared. The second is to adhere to pure character and correct principles.

Doing business: Exploring new markets is about to be successful. In future business activities, we must pay attention to the direction and type of business and strengthen cooperation with others.

Seeking fame: Be sure to be determined, strive to improve yourself, and lay the foundation for fame and career, the most terrible thing is that the love of children affects your future and career.

Going out: It's going well, and even if something happens, there will be someone to help.

Decision-making: For life, we must adhere to the fair and pure character, treat marriage and family correctly, and develop our own career based on a happy family.

Hexagram 55 Lei Huofeng (Feng Hexagram) In the middle of the day, it is obliquely upward

Xiang said: The ancient mirror is dim for several years, once polished like the full moon, the gentleman plans to meet this hexagram, and the recent operation is like nature.

This hexagram is a hexagram (lower and upper shock) superimposed, lightning and thunder, great achievement, metaphor to reach the peak, such as the sun in the sky. admonition; It's important to notice that things are going the other way. The cause of chaos is impermanent, and we must be vigilant.

Career: In a very smooth heyday, all aspects are smooth, and great achievements are made. However, it is important to pay attention to the symptoms of decay that begin to appear, and to prevent complacency. At the

same time, it is not necessary to blindly pursue unrealistic things and make every effort to maintain the prolongation of the current situation.

Business: Due to the accurate grasp of market dynamics, business conditions are very beneficial to themselves, and they can develop boldly, but they must pay close attention to the market, analyze the information, and if they are not careful, they may go bankrupt overnight. Once bankrupt, we should immediately sum up the lessons and seek sincere partners to get out of the predicament as soon as possible.

Seeking fame: After hard work and struggle, achievements have been obtained, and attention should be paid to maintaining and steady development, and not pursuing false fame.

Outing: It went very well. However, we should be vigilant to prevent joy and sorrow.

Marriage and love: It can be successful and happy, but if one party is shaken by the change of self-sustaining conditions, it will lead to disadvantage.

Decision-making: Because of the individual's talent and good conditions, it is very smooth in all aspects. However, we must deeply understand the truth of the impermanence of life, and everything should be kept in moderation, and remember that things must be reversed. Don't close yourself off and get into trouble, don't be discouraged.

Hexagram 56 Volcano Brigade (Travel Hexagram) According to the righteousness of the time, the next hexagram

The elephant said: The bird tree builds a nest, the villain makes the plan burn, the king occupies this hexagram as unlucky, and all the hopes are in vain.

This hexagram is a superposition of different hexagrams. This hexagram is the opposite of the Feng hexagram and is a "comprehensive hexagram" with each other. The fire burned in the mountains, burning and burning, and the fire kept spreading forward, like a pedestrian on the way, in a hurry. Therefore, it is called a travel hexagram.

Career: It is in the stage of entrepreneurship and development, and there are many difficulties. As long as we can adhere to the principle of neutrality, act according to the right path, pay attention to investigation, be cautious everywhere, and take contingency measures according to changes in the situation, the cause can move forward smoothly.

Doing business: The market is like a journey, and unexpected situations can happen at any time. Therefore, the principle of prudence should be taken in the first place and not to take risks. But don't hold back, especially don't be suspicious. Before developing the market, it is necessary to conduct sufficient research and research.

Seeking fame: according to the requirements of the times, enrich one's knowledge and ability, constantly improve oneself, and strive to get the help of others.

Outing: Very smooth and frequent travel. Therefore, it is important to be safe at all times.

Marriage and love: There are many uncertain factors between the two parties, if there is indeed a relationship, you can follow the development and then determine. Happy marriage.

Decision-making: Life is in a state of change, we must have a far-sighted vision, establish great ambitions, constantly enrich ourselves, treat people with sincerity and modest attitude, do not care about temporary gains and losses, and make friends extensively. The journey of life has been very smooth.

Hexagram 57 Xun for the Wind (Xun Hexagram) Humility benefits from the middle and upper hexagrams

Xiang said: A lonely boat falls on the beach, there is no water to advance and retreat, when the heavy rain overflows, there is no effort to go back and forth.

This hexagram is the same hexagram (下巽上巽) overlapped, 巽 (xùn) is the wind, the two winds are heavy, the long wind is endless, pervasive, and Xunyi is shun. Humility and behavior can be overwhelming.

Career: In the process of development, we should overcome all difficulties and obstacles and strive for progress in the spirit of forging ahead. Everything is difficult at the beginning, and there will be setbacks at the beginning, but with the help of talented and powerful people, there will be ideal results.

Doing business: The market is highly competitive and risky. It is important to be cautious in business activities, abide by business ethics, and treat peers and customers with humility, as well as competitors, and there will be benefits.

Seeking fame: Treat everything with a humble attitude, but not inferiority, weakness, artificiality, and hypocrisy, so that you can make rapid progress.

Going out: It's smooth sailing, but you still have to pay attention to safety to prevent accidents.

Marriage and love: Do not have a rash attitude, but should be cautious and respect each other.

Decision-making: Intelligent, flexible, cheerful, and humble, will be welcomed by all aspects and will be valued by superiors. Humility should not be excessive, it should be based on the premise of being strong and upright, and it should never be shown as cowardice and hypocrisy. Otherwise, it is not conducive to one's own growth.

The 58th hexagram is exchanged for Ze (Ze hexagram) just inside and soft on the outside

Xiang said: This hexagram is really desirable, I feel that it is effortless to do things, and I don't want to miss this mechanism, and I feel that everything is free.

This hexagram is overlapped with the same hexagram (Shimozawa and Shangzawa). Ze is water. The two rivers are connected, the two rivers communicate, the upper and lower are harmonious, united, friends help each other, and rejoice. Redeem for the joy also. With the virtue of being strong and healthy, with a gentle posture, we will stick to the right path and guide the people upward.

Career: Because of his good interpersonal relationships, he can unite others and receive assistance. As a result, all undertakings are going well. As long as I adhere to the path of righteousness, my motives are pure, I have a clear distinction between right and wrong, and I am sincere and happy, and I will have a bright future.

Doing business: Very profitable. Support is available from a variety of channels. But don't forget the principle of prudence and prudence when things are going well, and be especially wary of being fooled by villains.

Seeking fame: As long as you have a pure purpose and have real talents, you will definitely be able to receive enthusiastic help and funding from many aspects to achieve your goals.

Go out: Have a safe journey, and even if you encounter difficulties, you will have someone to help you and get out of trouble.

Marriage and love are satisfied with each other, and there is a high probability of success. But don't be too insistent.

Decision-making: Intelligent, cheerful, flexible, kind-hearted, eager to serve the public, and full of organizational skills. As a result, you can move into leadership positions relatively smoothly. However, we must adhere to the principle of righteousness, act impartially, and must not flatter and curry favor with our superiors, still less oppress the people. Always be humble, especially not overconfident, otherwise it is easy to be surrounded by bad people.

Hexagram 59 Feng Shui 涣 (涣卦) Save the Loose Hexagram and go down the next hexagram

Xiang said: I saw a gold ingot across the river, and I wanted to take the bank wide and the water was deep, and it was difficult to get my money, so I wasted my money all night.

This hexagram is a superposition of different hexagrams. The wind moves on the water, fueling the waves and overflowing in all directions. 涣, the meaning of the flow of water. It symbolizes that the organization and the people's hearts are sluggish, and we must use positive means and methods to

overcome the shortcomings, save the slackness, and turn the crisis into safety.

Career: It is in a relatively difficult situation, mainly because of the unevenness of people's hearts. It is necessary to adopt strong measures to achieve stability and unity. Among them, the most important thing is to adhere to the right path, uphold the spirit of selflessness, and win people's hearts to gather and disperse.

Doing business: The market conditions are chaotic and the direction is unclear. Proper risk-taking is completely necessary. But it is necessary to be impartial and refrain from selfish desires. It is also absolutely necessary to enlist the cooperation and support of those who are in a position to do so.

Seeking fame: You must calm down and work hard to learn and improve your knowledge and increase your talents. The sloppy situation must be managed, and this requires a multifaceted human resource. The future is bright, and the key depends on the efforts of the individual.

Outing: Safe and sound, the waterway is smoother.

Marriage and love: As long as both parties have a pure purpose, they will be happy.

Decision-making: In order to develop a career, it is necessary to use positive means to overcome and overcome the ills of internal disunity. First of all, we must get rid of selfishness, sacrifice the small self, and complete the big self. Don't get involved in disputes over right and wrong. In this way, a stable situation can be restored. In a good environment, the future of various undertakings is bright.

Hexagram 60 Mizusawa Festival (Festival Hexagram) Everything has a festival on the hexagram

Xiang said: When the time comes, the operation is joyful, and the god Jiang Taigong is on the stage, and all the gods have abdicated here, even if there is a disaster.

This hexagram is a superposition of different hexagrams. It is Ze, and Kan is water. There is water in the river and the flow is limited, and more will overflow outside the water. Therefore, there must be a festival, so it is called a festival. The festival hexagram is the opposite of the slang hexagram, which is a comprehensive hexagram and is used interchangeably. Heaven and earth can only be new when there is moderation, the country can be stable when there is moderation, and individuals can be perfect when they have moderation.

Career: It is in a period of development, and we must pay attention not to rush forward. However, we should not give up good opportunities, as long as we adhere to the principle of abiding by profit and righteousness, we can take bold action. In this way, the business can continue to flourish.

Business: The market is good, it is very beneficial to yourself, you should work hard to develop, do not lose the opportunity. However, the mind must be cool, the investment should be limited, and the appropriate amount should be stopped, and the income should be received.

Seeking fame: Be strict with yourself, know the moderation of things, do not go to extremes, you can pass unhindered, and move forward smoothly.

Outing: Going out boldly goes smoothly.

Marriage: Don't fall into the point where you can't help it, go with the flow and have good results.

Decision-making: Seize the opportunity and don't miss it. Exercise proper restraint in your actions, not to be forced, let alone to take risks, and to be appropriate. Nothing can be rigid, it should change. However, it is necessary to exercise moderation when it is time to do so. There must be a limit to self-control, and if you are too modest, you will become suffering, and there will be no good results, which is called counterproductive, so you must pay great attention to it.

Hexagram 61 Fengze Zhongfu (Zhongfu Hexagram) Integrity stands up and goes down the hexagram

Xiang said: The pedestrians on the road are in a hurry, hurriedly crossing the thin ice without a bridge, passing cautiously, and falling into the

water with a wrong step.

This hexagram is a hexagram (lower to upper Xun) overlapping. The original meaning of fu (fú) is to incubate, and the date of hatching eggs out of the shell is very accurate and has the meaning of faith. The hexagram is real on the outside and virtual on the inside, and it is honest in the heart, so it is called the Zhongfu hexagram. This is the foundation of living in the world.

Career: Treat the cause with an honest and faithful attitude, obtain significant achievements, and develop smoothly. We must continue to follow the principles of the right path, not to take things lightly, not to trust people too much, and especially not to close ourselves off from being arrogant. Otherwise, the cause will fail.

Business: handled very well and met the requirements of the market. Operate cautiously, pay attention to trustworthiness, and provide high-quality service, so that there will be satisfactory results, and even if you take risks and make difficulties, there will be no problems.

Seeking fame: On the basis of moral cultivation, we must study knowledge and skills diligently and constantly improve ourselves. At the same time, don't be afraid of difficulties and strive to move forward.

Going out: It is very smooth, and you can go out often according to the needs of your work.

Marriage and love: Both parties treat each other with an honest attitude and are happy.

Decision-making: Honesty is the cornerstone of living in the world, treating people sincerely, abiding by the system, adhering to principles, and being humble, you can overcome any difficulties, even if there is a problem, you can also make up for it. However, it is necessary to enhance the ability to observe people and improve the ability to distinguish between right and wrong.

Hexagram 62 Lei Shan Xiaoguo (小过卦) Action has a degree in the middle and upper hexagrams

Xiang said: Pedestrians passing by the single-plank bridge, looking at the panic in their hearts, Shuangli Bao Bao can get by, and slow walking must be uneasy.

This hexagram is a superposition of different hexagrams. Gen is a mountain, an earthquake is thunder, and a thunder roars over the mountain, and you must not be afraid. Yang is big, yin is small, and the four yin outside the hexagram exceed the middle two yang, so it is called "small over", and the small has crossed.

Career: Be cautious and cautious in your actions, and don't take risks, especially if you don't go into camp. However, as long as you insist on proper behavior, you can move forward bravely, work hard, and open up your career. However, we must grasp the scale and do not be too ambitious, so as not to invite disaster. Improvisation is key.

Business: If you don't have a good grasp of the market, you can test it a little first, and then converge on your behavior. Failure to do so can lead to danger. It should not be done on a large scale, nor should it be fearful. Steady and steady, gradual development.

Seeking fame: We should follow the principle of Zhongzheng and the principle of gradual progress, and seek steady progress. Don't pursue fame, and have to climb high positions regardless of the actual situation.

Disposition: Carefully consider and be fully prepared before going out, otherwise it will be disadvantageous.

Marriage and love: You should get to know each other for a long time, and you should not act in a hurry.

Decision-making: Actions must be done in moderation. When it is prosperous, you should prevent overdoing things and restrain yourself immediately. Excessive will not be enough, but will invite disaster. All actions must be adaptable and not stubborn.

Hexagram 63 Hexagram (both Hexagram of Water and Fire) is about to decline and will decline in the middle and upper hexagrams

Xiang said: The name of the above title on the gold list lives up to the hard work of the year, and people celebrate the auspiciousness of this hexagram, and all the hope is that the tycoon is connected.

This hexagram is a superposition of different hexagrams. The kan is water, the separation is fire, water and fire intersect, water is on fire, water potential overwhelms fire, and the fire is done. Both, already; Ji, Cheng also. It means that things have been successful, but things will change.

Career: It is in the stage of smooth and prosperous, and even the success has been completed. How to maintain this momentum is the crux of the matter. We must understand the truth that prosperity is about to decline, and we must think about prevention, prevent the slightest, and be prepared. At the same time, we must pay close attention to the situation, seize the favorable opportunity, continue to work hard to make progress, and promote the development of the cause.

Doing business: Due to the favorable market situation, a lot of money has been made. But at the same time, it also indicates that a crisis can emerge at any time. Therefore, it is important to be careful, take precautions before it happens, and be vigilant all day long. At the same time, carefully observe the changes in the market, turn at any time, and open up new markets.

Fame: The basic conditions for individuals to pursue fame and fortune have been met. It is important to prevent this from becoming rigid and conservative, which falls short and gives up halfway.

Going out: It is conducive to traveling, and you need to pay attention to safety on the way.

Marriage: Smooth at first, only setbacks along the way.

Decision-making: All conditions are good, and the environment is conducive to growth. But because of this, they will be satisfied, stop moving forward, and even become decadent and tend to decline. We must continue to work hard, maintain the virtue of humility, and always have an uneasy heart to prevent unforeseen events from happening.

Hexagram 64 Fire and Water Unfinished (未吉卦) The cause is unfinished in the middle and lower hexagrams

Xiang said: A few feet deep from the ground, it is an anti-theft camp robbery people, and the Tai Sui is fierce, and it is prudent not to invade it.

This hexagram is a superposition of different hexagrams. Separation is fire, and Kan is water. On fire and under water, the fire overwhelms the water potential, and the fire is not successful, so it is called unfinished. "Zhou Yi" starts with the two hexagrams of Qiankun and ends with the two hexagrams of both the economy and the unfinished money, which fully reflects the idea of change and development.

Career: At the last critical moment, success is just around the corner. Therefore, it is important not to take it lightly. Self-control is very important, staying the course, and perhaps taking moderate risks prudently if necessary in order to achieve a career.

Business: The market is on the eve of a big change, and the outlook is not yet clear. This is the most difficult time, so keep a cool head, don't take risks, don't overdo it, exercise moderation, observe the movement, and decide what to do.

Seeking fame: Long-term efforts and pursuits will pay off. At the critical moment of success or failure, you should be calm, resigned to fate, and go with the flow.

Going out: Positive action is very advantageous.

Marriage and love: The difficult stage has passed, and if you work harder carefully, there will be happy results.

Decision-making: This hexagram means "unfinished", indicating that the future is bright and there is a possibility of full development. Therefore, we must adhere to the principle of neutrality and achieve our career with a wise, modest, honest and humble attitude. In the face of life, only be diligent, do your best, obey the destiny of God, and do not care too much about success.
